

# Wadsley and Loxley Commoners

## Application for Membership

### Wadsley and Loxley Commoners (WALC)

Since 1993 WALC have cared for and protected the Common. WALC is a voluntary group of mostly local people. Its members share a conviction that the Common is a special place.

The aims of WALC are:

- To protect and enhance the area known as Loxley and Wadsley Common
- To promote community interest in the Common

The Common was gifted to Sheffield City Council, for the leisure use of its citizens. The Commoners liaise with the Council's Ranger Service, which manages the Common. Conservation activities include: work days, fund raising for projects, and carrying out wildlife surveys. WALC organises events and themed walks on the Common, and encourages the involvement of local schools and other organisations.
